

Career Center 808-245-0132

The Career Center prepares students for academic and career success by helping individuals learn about themselves, explore career options for degrees, make career choices, and carry out education and career plans. Personality assessment, career/program exploration, job preparation services, individual counseling, workshops, career events, and classroom presentations are available. For more information about services, please visit <https://www.kauai.hawaii.edu/careers>.

To schedule an appointment, visit the Career Center, call 808-245-0132, email mshenry@hawaii.edu, or schedule an appointment on [Star Balance](#).
