Hale Mālama (808-245-8346)

Hale Mālama is dedicated to the health, safety, overall well-being, and quality of life for all students at Kaua‘i Community College. We believe students who are able to uncover their voice, discover their purpose, and recover their individual truth will not only take their place in society as strong and resilient individuals but will also have the academic passion to create positive change.

We offer the following services:

**Human Needs and Supportive Services**

- Child care assistance
- Campus student emergency aid
- Meal voucher program
- Ho‘ai Food and Goods Pantry
- SNAP application assistance
- Community referrals

**Mental Health and Wellness**

- Individual and group counseling
- Educational workshops
- Crisis intervention
- Brief solution-focused therapy
- Art therapy
- Mental health assessments
- Safety planning

**Cares Team and Referrals**

- Identifies and assesses students experiencing academic, emotional, and/or psychological challenges
- Provides early intervention and case management for students
- Make a referral here
