

# Kaua'i Community College Office of Continuing Education and Training (OCET)

The [Office of Continuing Education and Training \(OCET\)](#) is committed to providing effective customized training that responds to the professional and personal development needs of our community's lifelong learners.

Non-credit course offerings are available through the OCET to meet the needs of business, visitor industries, and our community. We have courses and programs in the areas of business, computers, environmental health and safety, soft skill development, vocational upgrading, retraining for dislocated workers, and professional development and personal enhancement. Flexible, timely responsiveness to needs beyond the traditional college curriculum and a wide variety of distance learning courses are the hallmark of Kaua'i Community College's non-credit program.

OCET is a multi-faceted "self-support" program consisting of:

- Non-Credit Training
- Workforce Development
- Personal Enrichment
- [Performing Arts Center](https://www.kauai.hawaii.edu/performance-arts-center) (<https://www.kauai.hawaii.edu/performance-arts-center>)
- Apprenticeship Trades Training
- [International Education](https://www.kauai.hawaii.edu/international-programs) (<https://www.kauai.hawaii.edu/international-programs>)

Whether you're a business aiming to strengthen your team or an individual pursuing new certifications, KCC OCET is committed to providing high-quality, relevant training that supports your goals and drives success. Explore our offerings and discover how KCC can help you and your workforce thrive. Courses and trainings may be found on our website under the courses and programs tab (<https://ocet.kauai.hawaii.edu/courses/>).
