Several symbols reflecting College and community values have been associated with Kaua‘i Community College. In keeping with being your University on Kaua‘i, the College’s official seal is now the same seal used by all the UH campuses.

The College logo, created by Graphic Artist Suesue Okada in 1988, and the 1980 Bumpei Akaji sculpture at the entrance of the campus both place high value on Kaua‘i’s natural environment. The logo is symbolic of Kaua‘i: “The sun, the winds, the mountain, the ocean — all are important aspects of Kaua‘i. This island world colors our being, affects what we become. In the same way, the College fosters our pursuit of knowledge, awareness, and growth, helping us attain serenity and completeness.” The sculpture is associated with the KCC Foundation: “Nani Kaua‘i: Ke mau nei ke ea o Kaua‘i i Puh‘i ‘aina malu” (Beautiful Kaua‘i: The spirit of Kaua‘i thrives in the peaceful land of Puh‘i). The KCC Alumni Association uses as its symbol the kukui or candlenut tree whose nut was used by ancient Hawaiians as a candle; thus kukui means light and the tree symbolizes enlightenment and education.

The taro leaf is the logo for Ho‘ouluwehi, The Sustainable Living Institute on Kaua‘i. Sustainability is defined as fostering the long-term maintenance of well-being, while respecting the balance of environmental, economic, social, and cultural aspects of any one endeavor. In respecting the College’s ambition, Ho‘ouluwehi narrowed down its scope and focus to four areas: 1) food production, 2) renewable energy, 3) affordable housing/sustainable living, and 4) waste elimination. To determine which courses should be awarded the taro leaf logo, five topic areas were used: 1) Economics, 2) Social, cultural, historic, 3) Science and technology, 4) Environmental, and 5) Written, oral, and artistic.
