Online Learning with Local Support!

Who We Are

- The University Center (UC) at Kaua'i Community College works in partnership with the University of Hawai'i (UH) campuses to support online and hybrid programs for local residents on Kaua'i.
- The UC provides local support and other services to help students navigate their distance education journey.
- Students receive degrees or certificates awarded by the UH campus offering the program of study.
- In recognition of this milestone, UC invites degree and certificate candidates from UH distance learning supported programs to participate in commencement exercises on Kaua'i.
- UH offers over **60** degree and certificate programs.

Support services we provide to help students navigate their distance education journey:

- Meet with a Student Services Specialist
- Choose a major/career goal
- Explore UH online and face-to-face programs
- Explain transfer options, requirements, and process
- Pre-Advising
- Apply to the UH institution
- Register for classes
- Local support and connect you with resources
- Technology support (laptop/IPAD rental and technical assistance)
