Who We Are

- The University Center (UC) at Kaua’i Community College works in partnership with the University of Hawai‘i (UH) campuses to support online and hybrid programs for local residents on Kaua‘i.
- The UC provides UH online students with local support and other services to help students navigate their distance education journey.
- Students receive degrees or certificates awarded by the UH campus offering the program of study. In recognition of this milestone, UC invites degree and certificate candidates from our distance learning facilitated programs to participate in commencement exercises on Kaua‘i.
- UH offers over 50 degree and certificate programs supported by the UC using a variety of technologies.

An Educational Specialist is the local point-of-contact for pre-admissions advising, library, proctoring, technology services, tutoring, and other services.
