ART 117: Introduction to Screenwriting

Credits: 3

Lecture Hours: 3

Prereq: "C" or higher in either ENG 100 or ENG 104.

Comments: Cross-listed with ENG 117.

Description: This is an introductory course in which students will learn basic principles of screenwriting. This includes thorough instruction in story development and structure, appropriate terminology, and the experience of the writing and rewriting process. Activities include script writing, viewing and analyzing short films, in-class writing assignments, reading essays, and reading and critiquing short screenplays.
