

ART 293 : Internship

Credits: 3

3 credits = 225 hours of work experience

Prerequisites:

"C" or higher in ART 112. Approval of instructor.

Recommended:

The student is encouraged to have a general idea of one or more Creative Media focus areas that are of interest. This will serve as the focus of the student's Digital Portfolio and Internship opportunity.

Description:

This course allows students to apply the knowledge and skills acquired in the classroom to the work environment. This work experience improves the skills of students and increases their ability to gain steady freelance or full-time employment after graduation.

Semester Offered: Spring

Course Student Learning Outcomes (CSLOs):

1. Skillfully and safely operate creative media equipment in the work environment.
2. Demonstrate mastery-level skills using creative media software applications in the work environment.
3. Demonstrate professional, ethical and legal principles in the work environment.
4. Create a professional Digital Portfolio that accurately reflects viable knowledge and skills.
5. Demonstrate exceptional interpersonal communication and collaborative skills in the work environment.
