

# CM 178 : Introduction to 3D Animation

**Credits:** 3

**Class Hours:** 3 lecture

**Recommended:** "B" or higher in ART 112. "C" or higher in ART 113.

**Description:** This course teaches entry-level skills required to design and create basic 3-dimensional, animated graphic sequences. The course covers general design and production as the students work through the different stages of the animation pipeline (art, modeling, surfacing, camera, animating, lighting, and rendering). Students also create web-based Digital Portfolios to display completed animated sequences.

**Semester Offered:** Fall, Spring

**Designation:**

Diversification: Arts – DA
