## **FENG 122: Interior Finishing**

**Credits:** 1

**Class Hours:** 2 lecture/lab

**Prereq:** "C" or higher in CARP 120B.

**Semester Offered:** Spring

**Description:** This course provides an overview of interior finishes, including general painting and wall coverings installation, as well as installation and finishing of drywall. Included are installation techniques and the selection of materials for various interior trim, such as doors, windows, and baseboards.
