COMMUNITY COLLEGE

NURS 277: International Nursing

Credits: 2

Lecture/Lab Hours: 4

Prereq: Application and approval of instructor.

Semester Offered: Spring

Description: This course explores the healthcare system in Japan and how it has changed since WWII. Students will travel to Japan to experience, compare, and contrast the healthcare with/between US/Hawaii and Japan (Nagasaki or Okinawa). Students will explore effects of WWII, then and currently, on the people of Japan and themselves.
