## REL 210: Christianity

**Credits:** 3

**Lecture Hours:** 3

**Semester Offered:** Fall, Spring, Summer

**Description:** In this course, students will be introduced to the historical, literary and theological foundations of Christian thought and practice. Some of the topics that will be considered include: The historical and theological connections between the so-called Old and New Testaments; The person and work of Christ; The doctrines of salvation, the church and the "end times"; The inspiration, reliability and authority of scripture.
